

Product Brief

The Product

DESCRIPTION

eFax is a trusted brand used worldwide, and is the market leader for Internet fax services. With over 11 million + subscribers, eFax offers a choice of fax numbers in more than 42 countries, the ability to receive faxes as email attachments, and other advanced features for sending, forwarding and storing faxes—without paper or a fax machine.

BENEFITS

- **Easy:** Get your faxes as easily as you get your email.
- **Anywhere:** Access faxes by computer, laptop or any web-enabled device.
- **Instant:** Sign up quickly online—in less than 5 minutes.
- **Reliable:** No paper jams, empty toner cartridges or busy signals.
- **Green:** Easy-to-save digital files save paper and toner.
- **Private:** All eFax numbers are personal and private.
- **Space-saving:** No bulky fax machines.
- **Money-saving:** Cut the cost of a machine and repairs, extra phone line and high-priced long-distance charges. Also save on toner and paper.
- **Professional:** Look your best with your own local fax number.

TAGLINE

Easy faxing anywhere

*where available

Key Features

Fax by Email

Send and receive faxes as email attachments. No hardware or software required.

Local or Non-Geographic Numbers

You have your choice of over 2,900 cities in 42 countries worldwide or toll-free numbers in select countries.

Online fax storage

All your incoming messages are stored at www.efax.com - perfect when you can't access your email.

Free incoming fax pages

Every month, you'll get a credit for free incoming fax pages.

Customer Support

Get answers through the eFax online FAQ, by email or by phone.

Fax file formats

eFax delivers faxes in three convenient file formats: PDF, TIF and EFX. EFX files are compact fax files you can read with our free eFax Messenger software.

Route incoming faxes

You can receive your faxes at up to five email addresses simultaneously.

Wireless access

Use your laptop, wireless PDA, or smart phone to access your faxes anywhere.

Storage

Archive faxes digitally plus free online storage.
