About Fax Folders

To organize your faxes—or create, rename, or delete a custom folder: See *About Fax Folders* in the eFax Corporate “My Account” online help, for instructions.

About Contacts

To import or export contacts, view/add or edit contact information; or delete a contact: See *About Contacts* in the eFax Corporate “My Account” online help, for instructions.

Using “eFax® by Email”

To receive or send a fax through an external email account: See *Using “eFax® By Email”* in the eFax Corporate “My Account” online help, for instructions.

Large-File Sharing

Large-File Sharing is a premium feature that offers a convenient way to exchange large files with people over the Internet. You can select one or more files up to 3GB (aggregate) for sharing with up to 20 people, upload them through **My Account**—and following the upload, eFax® sends an email with a download link to each of your recipients. Each recipient may download the file(s) up to five times, and the file(s) will be available for download for 90 days.

For instructions: See *Share Large Files* in the eFax Corporate “My Account” online help, for instructions.

View/Update Your Account

To update your account preferences or customer profile—or add another fax number to your account: See *View/Update Your Account* in the eFax Corporate “My Account” online help, for instructions.
